Section 2: Overview

Headline: What Bharat Stainless Steel Industries Makes, And How to Get Today's Price

Sub-headline: One Hisar unit, three product lines, same-day pricing - no static quote sheet, no guessing on grade.

Body: Bharat Stainless Steel Industries (BSSI) is a stainless steel pipe, coil, and sheet manufacturer based in Hisar, Haryana, supplying 200, 300, and 400 series stainless steel - sourced from Jindal Stainless - to 650+ customers across 210+ cities for over 12 years. Products include round, square, rectangular, oval, slotted, and NB pipes; coils, slitted coils, and cut-to-length coils; and sheets and cut-to-length sheets.

Every product on this page is manufactured at our Hisar unit and available for same-day pricing on WhatsApp rather than a static quote. Browse the three categories below, or message us directly with your grade, size, and quantity if you already know what you need.

Section 3: How Ordering Works

Headline: From Your WhatsApp Message to a Weighed, Verified Delivery

Sub-headline: Four simple steps - no email, no waiting on a quote, no surprise on the invoice when your order arrives.

Body:

01. Message us your spec: product, grade, size/thickness, and quantity, on WhatsApp.

02. Get today's price: we reply usually within two hours with a live quote at the current market rate.

03. Confirm the order: we confirm grade, size, and delivery method (ex-works or FOR) before manufacturing or dispatch.

04. Weighbridge-verified dispatch: every order is weighed on our Dharam Kanta before it leaves, so your invoice matches what's on the truck.

Section 4: Category Block: Pipes & Tubes

Headline: Stainless Steel Pipes & Tubes - Round to NB, All Hisar-Manufactured

Section 7: Trust Strip

Headline: Numbers That Took 12 Years to Earn, Not to Write

Sub-headline: Every stat below is a customer relationship built order by order - not a claim made for a website.

Body: 12+ years in business · 650+ customers · 5,500+ MT produced annually · 210+ cities served We've supplied stainless steel from Hisar since around 2010 - long enough to know a supplier's real reputation is built order by order, not claimed on a website.

Section 8: FAQs

Headline: Frequently Asked Questions

Sub-headline: Straight, honest answers to the questions buyers ask us most, before they place an order.

FAQs 1: What stainless steel grades does BSSI supply?
Answer: We supply 200, 300, and 400 series stainless steel across all our pipe, coil, and sheet products. 300-series (SS 304, SS 316) is the standard for food, pharma, and corrosion-prone environments; 200-series (SS 202) is a cost-effective option for structural and decorative work. Still unsure which fits your project? [Use our free Grade Comparison Tool →] or message us your application on WhatsApp. - "Grade Comparison Tool" → page redirect → Resources page (/resources#grade-comparison)

FAQs 2: Do you offer custom sizes or cut-to-length service?
Answer: Yes. Coils and sheets are available cut to length as per your requirement, and pipes are supplied from 0.3mm to 8mm thickness and 6mm up to 12 inch size. Share your spec on WhatsApp for same-day confirmation.

FAQs 3: What is your minimum order quantity?
Answer: Minimum order varies by product and current stock, there's no single fixed number. Share your requirement on WhatsApp and we'll confirm availability and quantity the same day.

FAQs 4: What is the wholesale price of stainless steel pipe in Hisar?
Answer: Prices change daily with nickel and raw-material rates, so we don't publish a fixed list. Message us your product, grade, and quantity on WhatsApp for today's actual wholesale rate.

FAQs 5: Do you have a dealer contact number for stainless steel pipes near Hisar?
Answer: Yes - reach us directly on WhatsApp for pricing and orders. See [Contact Us] for phone number and full address. - "Contact Us"→ page redirect → Contact Us page

FAQs 6: Where is Bharat Stainless Steel Industries located, and do you deliver outside Hisar?
Answer: We're based in the Industrial Area, Satrod Khas, Hisar, Haryana, and have delivered to 210+ cities across India, including Panipat, Rohtak, Fatehabad, Sirsa, Bhiwani, and Jind.

FAQs 7: Why don't you show fixed prices like some other websites?
Answer: Because a fixed price on a page becomes wrong within days - nickel and raw-material rates move daily. Showing a fake-stable price to look convenient would mean quoting you something inaccurate the moment you actually order. We'd rather message you the real number.

FAQs 8: How do I know your material is genuinely Jindal-sourced and not a mixed/local substitute?
Answer: Ask us - we're glad to confirm sourcing details for your specific order, and our GST/MSME registration (GSTIN 06AZBPD9705B1ZW) is verifiable if you'd like to check our business standing independently.

Section 9: Bottom CTA

Headline: Still Deciding? A Two-Minute WhatsApp Message Gets You a Real Answer

Sub-headline: Need a specific grade, size, or bulk quantity confirmed? Message us on WhatsApp - we usually reply within two hours.
