₹4,999 Starter

Best for: a serious business that needs one sharp page — credibility + enquiries, fast.

> One high-craft page that makes your business look established and turns visitors into calls and messages.

WHAT'S INCLUDED

- ✓ **One high-craft page**, custom-designed (not a template)

- ✓ **Enquiry / contact form** straight to you
- ✓ **On-page SEO** — built search-ready
- ✓ **Mobile-perfect** on every phone

WHY THIS PLAN

A single page done right is not a cheap page. Custom layout, written for you, and built to convert — agencies quote ₹15,000+ for exactly this.

You're paying for **craft and ownership**, not a drag-and-drop template that looks like everyone else's.

Perfect if you're a consultant, clinic, local service, or a brand testing the water before going bigger.
